Eddie Vasil**INTRODUCES**

...Meyer F. Goodman

In making a reporter's rounds one hears many complimentary remarks about the respectful and active organization, Sunrise Lodge, No. 1069, F. and A. M. I met many fine men from the professional and business worlds who are members; so it was inevitable that the Mason holding the highest office in the Lodge, that of Worshipful Master, be interviewed.

ATTY. MEYER F. GOODMAN

Attorney Meyer F. Goodman is a neat-appearing lawyer; who, though only thirty-seven years old, has won a reputation as a capable and successful attorney-at-law. This barrister, who even looks much younger than his age, became so sincerely interested and active in Masonry, that after being a member for only six years, was honored with the highest position in his Lodge. His personal philosophy of life is symbolic of the Masonic creed: "Friendship—Morality—and Brotherly Love."

Mike Goodman maintains a five-room suite of law offices in the Golden Building at 65 W. Sunrise Highway. It is the realization of a dream which started when he was a young boy working after school in his father's lunch room in Amityville. The desire to become a member of the legal profession inspired him to work his way through college and law school. B.A. and LL.B.). He is a life-long resident of Long Island and has been practicing law for fifteen years.

The Sunrise Lodge of Masons is a very active organization with more than 350 members. Plans are now being formulated to celebrate the 25th anniversary of the lodge, which will be held on a large scale. The lodge is a life-long resident of Long Island and has been practicing law for fifteen years.

Many young lawyers have found that Mike Goodman offered his full cooperation in helping them start their careers. They refer to him as "The springboard to the successful practice of law." "In my opinion," stated Mr. Goodman, "the Legal Aid Society is a great service not only because it assures justice to those who can not afford legal fees, but also because it offers lawyers an opportunity to represent a variety of clients. Atty. Meyer F. Goodman is a member of the Nassau and Suffolk County Bar Associations and has been admitted to practice in the Federal Courts."

The members of the Sunrise Lodge, F. and A. M. should be congratulated for their selection of Master and complimented for their success as an organization. "Friendship, Morality, and Brotherly Love" Atty. Meyer F. Goodman.

Nassau Co. Legion Selects Freeport For 1950 Convention

Story Post Observes Ex-Commanders' Night; Has 453 Membership

The 1950 convention of the Nassau County American Legion posts is to be held in Freeport on Friday and Saturday, June 23 and 24. It was announced at the semi-monthly meeting of William Clinton Story Post, A. L., Friday night in the Dug-out. Plans have been made to conduct the business sessions in the Truck Shed of the 142d Heavy Tank Battalion, New York Guard, which is being used as an armory until the large building is constructed. It will be the 31st annual convention and the fourth to be held in Freeport.

Past Commander C. Howard Larsen, now County treasurer, is a candidate to succeed Herman Hacks of Williston Park, as commander. He is being opposed by Herbert Bertrand of Hempstead. Whether the contest will be carried to the convention will be determined at the Second District caucus to be held in May.

Past Commanders' Night was observed Friday night when 16 former executives of the post were guests at a dinner given before the meeting. Former commanders filled the various stations. Walter Schmidt, serving as commander, and W. Wallace Guest, Maurice B. Stember, State adjutant, and Edwin McCormack, as vice-commanders.

Other past commanders present were Robert D. Campbell, Herman O. Dunker, Ernest Hennessey, A. A. Trenchard, Henry O. Krane, John Cruckshank, Frank Post, Theodore Kurz, William A. Snyder, Mr. Larsen, William W. Davis and Gerald Robson.

Ray Barbatti, former Olympic star speaker of the evening, and Commander Kenneth E. Vought also attended the dinner. Mr. Barbatti spoke on athletics and welfare work to veterans.

Vice-Commander Oscar Piltz, membership officer, reported a paid-up membership of 453, which is far short of the goal of 750 set for April 1. Henry Left, veteran of World War I, was received as a member. Refreshments were served at the close of the meeting.

DAUGHTER TO JOHN E. COMBS
A daughter, Gilda Diane, was born to Mr. and Mrs. John E. Combs, 23 Johnson pl., in the Freeport Hospital last Sunday. The mother is the former Miss Martha Smith. The baby weighed 8 pounds 6 ounces at birth.

Hempstead Defeats Freeport In Shoot-off For Rifle Title

Freeport High School won second place in the shoot-off of the triple tie for the championship of the Nassau County Inter-scholastic Rifle League among the Red Devils, Hempstead and

Central High Valley Stream, Tuesday afternoon on the Hewlett range, each of which finished the regular season with a record of 15 victories and 3 defeats. Hempstead won the title with a score of 914, followed by Freeport with 906 and Central with 903.

Unfortunately for Freeport, David Winter, a usually reliable marksman, was off form and shot only 172, including a low of 83 in the prone and 79 in the off-hand. As Hempstead won by only eight points, it can be seen that this meant to the team, Peter Cattano, the sixth man, might have saved the day, but he counted only 170.

Freeport set the pace throughout the season, never being in a poorer position than a tie for first place. Consequently Peter Joy, followed by Barbara Blass, Ralph Thayer played a tonette solo and there were vocal selections by Alan Thayer. The members also listed top recordings of various numbers.

The next meeting will be in May at the home of Mrs. Harold J. Blass, West Woodbine Dr.

Proposed plans for a recreation project for those more advanced in life will be submitted to the Freeport Community Council at its bi-monthly meeting Monday night in the Court Room of the Municipal Building, by John F. DeLorme, temporary chairman of the committee in charge.

Samuel L. Israel will report for the youth committee. Russell E. Hotaling will trace the history, accomplishments and plans of the Council.

Mrs. Harold W. Battin has issued an appeal for the presidents and delegates of all the affiliated organizations to attend the meeting.

Freeport Nears Half-Way Mark in Red Cross Drive

Clements Reports \$4,000 Collected Toward \$8,750 Quota

Freeport was just under the half-way mark in its 1950 Red Cross fund raising campaign, Tuesday night, when Chairman Ray E. Clements reported contributions totalling slightly more than \$4,000 with its quota fixed at \$8,750. As no figures were in for commerce and industry, Mr. Clements was quite certain half the village quota had been raised and that when the drive comes to a close on Friday, March 31, Freeport would be close to its goal.

The chairman added that receipts to date exceeded those last year at the same time. The drive was reported by Mrs. Mary Elizabeth Schrieber, totaling \$3,200. Russell E. Hotaling reported \$250 for organizations; Mrs. Leon N. Swisher, \$250 for cash boxes, \$250, and advanced gifts, \$300.

Mrs. Jerome Lowy and a group of women are to make a concentrated drive to assist John T. Tracy and Cord Viebrock, co-chairmen of business, to clean up the business area over the week end. They are going to make a store to store canvass so all will be reached before the time for the drive comes to a close.

The receipts by election districts in the house-to-house canvass were reported by Miss Schrieber as follows: District 34, \$120; 35, \$125; 37, \$120; 38, \$110; 39, \$125; 40, \$140; 41, \$275; 43, \$150; 44, \$180; 45, \$225; 46, \$100; 47, \$425; 48, \$90; 49, \$270; and 50, \$325.

'EUTHANASIA AND SIN' TOPIC OF RABBI KATZ

Regular Friday evening services will be held tomorrow night in Temple B'nai Israel. Rabbi Reuben M. Katz will preach on "Euthanasia and Sin." Cantor Harry Altman will chant the traditional hymns. Mrs. Laurette Baumann, will introduce a special selection "And Thou Shalt Love" which will be included in future services.

After the services a discussion of the sermon topic will be held by Dr. Nathan Diamond. The public is invited to attend the service.

Smith and Viebrock Poll 736 and 740 Votes In Village Election

Unity Party Leaders Pleased at Showing; Proposition Adopted

Despite the rain, the snow, the hail, the wind and the chilly atmosphere, approximately 750 hardy Freeporters turned out to vote in the uncontested village election Tuesday, which officials of the Unity Party considered an excellent showing under the circumstances. Some workers reported numerous party members who usually vote, when called on the telephone were suffering from heavy colds and as long as their ballots were not needed to swing the election decided not to venture out in the inclement weather.

Leonard D. B. Smith and Cord Viebrock the trustees running for a return to office received 736 and 740 votes respectively. In several districts there were no split ballots and in most districts there was a difference of only one or two votes.

The proposition providing for an appropriation of \$336.43 to make adjustments with the Town of Hempstead necessitated by the annexing of the Holloway st. area to the incorporated Village of Freeport, was carried by a vote of 403 to 72. In only one district was no vote cast against it, though one wondered how on a proposal involving such a small amount, any one could oppose it.

The vote by election districts for the two trustees and on the proposition was as follows:

District	Smith	Viebrock	Proposition
34	36	34	6
35	37	21	20
37	39	29	10
38	38	20	32
39	38	22	32
40	42	28	16
41	42	58	49

48	42	48	17
49	42	47	22
50	42	89	26
Total	736	740	403 72

After getting the returns at Police Headquarters, the Unity Party leaders and workers adjourned to the Grandview for refreshments and a celebration.

Dr. George A. Newton, president of the Unity Party, called the meeting to order. He said that the result indicated the people of Freeport were pretty well satisfied with the kind of administration they've had in the village government.

He presented Judge Hilbert R. Johnson, as toastmaster. Judge Johnson first called on Dr. L. Doxsee. He expressed pleasure at the return of Trustees Smith and Viebrock to office and said it had been the ambition of the Village Trustees to give Freeport the best government possible. He added that while members of the board differed at times over (Continued on Page 4)

Big Brother Leader Addresses Rotary

Joseph McCoy Tells History, Objectives And Accomplishments

Joseph McCoy, executive director of the Big Brothers of Greater New York, outlined the history, objectives and accomplishments of the Big Brother movement to the members of the Rotary Club at their weekly dinner in the Elks clubhouse Thursday night. He was introduced by W. Sargent Nixon.

Mr. McCoy described delinquency as a boy's natural reaction to an unnatural situation. He told of the case of a boy who was sent for climbing an elevated railroad pile near his home. Placed in charge of a Big Brother, he was sent to camp, where he was enabled to end his habit of climbing to the limit. One day the rope broke at the top of the flagpole.

When no one else would volunteer to scale the pole to replace the rope, he was asked if he would do so. An opportunity he promptly grasped, he took the rope in his teeth, climbed to the top of the pole, replaced it and descended as his campmates cheered him to the top.

Mr. McCoy cited the case of another lad at camp, who always stayed in the background. One day while he was watching a volleyball game from a distance the ball struck him in the stomach and he emitted a peculiar sound. After much persuasion he was induced to repeat it. It was found he could imitate "Popeye the Sailor Man," and before he left camp he had been brought out of his shell and was giving exhibitions of his prowess at the camp entertainments.

The speaker said that since the organization of the Big Brother movement by a church group in Manhattan, on Oct. 1, 1909, records showed 23,000 cases had been handled by Big Brothers. About 35 per cent of these were referred to the organization by the courts. Of the total of all the boys placed in charge of Big Brothers, only 7 per cent have failed to respond to the individual interest shown in their cases and been hauled to court later. Mr. McCoy has been associated with the work for 25 years. President Ray Clements presided.

S. S. Y. C. Honors Edward V. Moore Past Commodore; Make Life Member

Two hundred members of the South Shore Yacht Club and their guests gathered in the clubhouse Saturday night to do honor to Edward V. Moore, junior past commodore, who was made a life member of the club. Dinner was served followed by tributes to the guest of honor. Richard G. McChesney, as usual, served as master of ceremonies.

Past Commodore Schuyler B. Smith presented Mr. Moore a silver service, but before doing so injected a little humor into the proceedings by giving him a garden bouquet of cauliflower, radishes and scallions.

Past Commodore Darius Sylvester gave him a gold life membership card and his three stars, the insignia of a past commodore, and Commodore Carl Schutter expressed the thanks of the members of the club to Mr. Moore for his efforts in behalf of the club during his year in office and commended him on the success of his administration.

Past Commodore George T. Merrick presented a bouquet of American Beauty roses to Mrs. Moore. All the speakers commented on the growth of the club during 1949 and on its present solid financial condition and large membership, and gave Mr. Moore a large share of the credit for making this possible.

The guest of honor in replying to all the kind things said about him, declared that without the co-operation of all officers and committee members he could have done nothing and that they were in reality responsible for the success of his year in office.

At the close of the dinner the women distributed tickets for a fund raising raised to purchase a Hammond organ for the clubhouse. The dining room was beautifully decorated with spring flowers.

Seated at the head table were Past Commodore and Mrs. Ralph Schley, Vice-Commodore and Mrs. Andrew Thompson, Commodore and Mrs. Schutter, Past Commodores Smith, Merrick and Sylvester and their wives, Mr. and Mrs. Moore, and Mr. and Mrs. McChesney. A special song composed by Andrew McCarville and members of the entertainment committee, in tribute to Mr. Moore was sung by Raymond Young and Mrs. Joseph Melick.

On the dinner committee were

Don't Miss The 'Night of Stars' on May 1

Residents of Freeport will have an opportunity to enjoy a wonderful program and aid a good cause on Monday night, May 1. The Central Council of Parent-Teacher Associations is endeavoring to establish a scholarship fund with which to assist worthy students to continue their education after they are graduated from high school.

To get the fund started, a "Night of Stars" is being arranged. And it is to be just that, for rarely have so many stars of the stage, screen, television and concert field volunteered to give their services at such an event.

Every seat in the Freeport High School auditorium, where the event is to be held, should be occupied that night. And in addition a program book is to be issued. Every person is eligible to be a sponsor. All that is necessary is for one to make a contribution and his name will be published in the book.

So make sure to buy tickets for the "Night of Stars," have a good time and the satisfaction that you are assisting in a worthy cause.

REFLECTIONS

By Edmund R. Wernicke

Around the Block

When once, years ago, I packed my dreams
To search for life afar,
My wanderings were to lands that seem
More distant than a star:
And there was life, crown of a quest
Mere pretense found to roam;
For only a fool must journey seeking
That which is at home.

This morning I walked around the block:
Down Fifth, where the carefree play
Of children brought folks to their windows
To laugh with a world made gay
By youngsters round a new Pied Piper,
Whose old-world gypsy styles
On an organ brought in a few bright pennies,
In trade for a few bright smiles.

Around the corner, down Elm, I turned,
Where a wreath upon a door
Was eloquence in itself that here
One heart would laugh no more.
And along the street the stillness caught
The whisperings of grief
A muffled sob and a broken sigh
And the rasp of a windblown leaf.

I turned up Fourth Street, where the merchants
Were playing their busy trade;
Where life was reckoned at cost per pound,
On a basis of money made.
A street where the earth was bought and sold;
Where the same folks came again
To achieve through petty bickering
Their bargain in wares and men.

And then up Maple, as shoes and cans
On one of the passing cars
Defied the world for hearts that knew
Of happiness and stars.

Around the globe—just around the block—
Through laughter and misery,
And more real life than might be read
From the scrolls of eternity.

The Leader Bookshelf

By MRS. ELIZABETH F. KELLY
Librarian, Freeport
Memorial Library

Five years ago Margaret Lee Runbeck brought out a book "The Great Answer" which gave the personal experiences of people, in one way or another, connected with the war, who felt that knowingly their lives had been very closely affected by Divine Providence.

Literally thousands of letters were sent to the author after the publication of "The Great Answer" relating more and more experiences. People asked for another book. One young Marine wrote in his letter "The Bible says 'Pray without ceasing.' When you do that, you have answer without ceasing." Thus the title was supplied for the recent publication "Answer without Ceasing."

The related experiences are stories of people in many ways of life, people who were guided at times during great stress and strain in their lives, wonderful answers to those who believed in and trusted God.

Those who enjoyed Cleveland Amory's former book "Proper Bosonians" may be disappointed in his new one "Home Town" or they may not. It will probably be either definitely liked or disliked.

"Home Town" is the title of a book to be published by Hathaway of New York. The author is a young lad living in Copper City, Arizona. During the war he wrote letters to the boys. These are the basis for "Home Town," the most unique town in the world, so the young author claims.

Perhaps it is, for it is built on the side of a mountain so steep that a house address is not a street but "level" as "The 600 level."

Bill Deveraux, a publicity agent for Hathaway, is told to stop off at Copper City on his way to the West Coast. While there he induces Mitchell Kitchin, the author, to come to New York. Here we see all the publicity stunts that are used in the publishing business. This visit brings this type of life in New York into sharp contrast to the home life of Copper City. Life, Mitch, as he is called, tries desperately to fit into the Big City. The last chapter is a definite surprise.

Special Easter Music Over WHLI Holy Week

Special Easter music and religious programs will be broadcast during Holy Week and on Easter Sunday by radio stations WHLI and WHLI-FM. It was announced today by Roger Wayne, director of music: The Long Island Choral Society, under the direction of Norman Rollett, will sing Brahms' "Requiem" over WHLI-FM, Maundy Thursday from 8 to 9 P.M. A portion of the "Requiem" will be broadcast the same day from 2 to 2:30 P.M. on the program, "Music That Lives."

Good Friday from 2:05 to 3 P.M. Sir John Stainer's sacred oratorio, "The Crucifixion," will be played. The program features Lawrence Tibbett, Richard Crooks and the Trinity Choir with Mark Andrews, organist.

The Easter portion of Handel's "Messiah" will be broadcast Easter Sunday from 2 to 2:30 P.M., while Felix Mendelssohn's great oratorio, "Elijah," will be heard from 7 to 9 P.M. The "Elijah" features Isobel Baillie, soprano; Gladys Ripley, contralto; James Johnston, tenor and Harold Williams, bass-baritone, with Sir Malcolm Sargent conducting the Huddersfield Choral Society and the Liverpool Philharmonic Orchestra.

Charles Kienzie, 64 Buried in Greenfield

Funeral services were conducted in the Weigand Bros. parlors, 24 Grand ave., Baldwin, Saturday afternoon for Charles Kienzie, who died in his home, 347 Randall ave., Thursday. The Rev. Reginald H. Scott, rector of the P. E. Church of the Transfiguration officiated. Interment was in Nassau Knolls Memorial Park, Port Washington.

Mr. Kienzie was born in Brooklyn 64 years ago and lived in Freeport 25 years. He was an electrician. Surviving are his wife, Mae Cobb Kienzie, his mother, Elizabeth Kaiser Kienzie, three daughters, Jessie E. Rulse, Marjorie M. Moore and Abbie Kerr, and five grand children.

VASIL'S VARIETIES

By Eddie Vasil

FREEPORTING THE NEWS . . . N. GEORGE (Insurance) SARANT, MIKE (ex-Presto) OAVELLAS, JIM (Tearoom) and NICK (Flushing Station) BOULOUKOS, returned from their Florida tour looking like four Golden Greeks. . . Real Estateor PELL NICKELSEEN off to the sunshine state now that he's finished the smallest office building in the U.S. (PINE ST. off S. MAIN). . . Another new look for Freeport's Main Stem: MILTON FROELICH completed new front for his ROYAL HOLME APPLIANCE (nicely). . . Freeport's gift to the Nassau County Police Force, CAPT. ADAM VULOH, featured in various mags as top laundry face identification expert. (He's always on demand when other communities run into stone walls.)

LEADER'S DIGEST . . . Fabulous Freeport veteran, "POP" Kelly showing impressive record after being ill too long. (This old-timer is beloved by all). REGIS (Sunrise service station) SHUTTS to be nationally featured in a trade magazine. (His million-dollar personality has also made him a top minstrel showman). . . TOM MURPHY, (he operates the Launderaide on S. Grove) deserves a great big "thank you." (Thoughtfully puts signals in the parking meters when tax motorists forget and saves them from ticket gathering). . . VIKING FLEET (Capt. Carl Forsberg) to add the Pop Deck Dock to his fishing facilities? . . . It's worth a trip to the dump (near the village incinerator) to see the many sea gulls who call this their home port. (There seems to be a stink legend about the dump that the caretaker is really a wealthy man etc. . . Ours is supposed to be worth 100G's.)

OVER THE MAIL DESK . . . Dear Mr. V. . . Just a line to say "Thanks" for the cute little item in "The Leader." I thought it was very nice and every one connected with the paper—though I do think there are a lot of other folks who do nice things too! . . . I hope people will try to help animals a lot more—for they sure do need help. The DURYEA ORCHID was beautiful and I sure was surprised. Thanks a lot. Sincerely, Lelda Hawthorne (Schoack's). (Ed. note: It was our pleasure and we're glad we learned who you are.)

STAGE - SCREEN - TV . . . The "pencil type" mike used on TV will soon be replaced by an even more sensitive and almost invisible invention. . . Did the JAKE KEDENBERG combine sign up the E. Islip track in addition to the Freeport Stadium for their popular racing meets? (Last season's TV coverage gained many new fans—hope they continue this year). . . Survey shows that "Lights Out" has become the top TV mystery show. (Former screen star Jack LaRue M.C.'s.) The "no program break for commercials" policy welcomed by viewers. . . Did the TV rocket JERRY LESTER to TV stardom? (He's got many friends here). . . The game of "Stromboli" catching on with the intellectuals as a parlor pastime. . . "Stromboli" laying eggs all over the country. . . DOROTHY JACKSON (Queen of the Iroquois), heading a terrific five-piece band which is being cast for choice bookings. (She's CHUBBY (Columbia Records star) Jackson's mom.)

EDITOR'S NOTES . . . Thought for the day: Maybe what this world needs is less grace on the dance floor and more "Grace" at the family table. . . If some of those Washington diplomats were like REV. J. J. MADDEN there'd be less thought of war. (His dynamic personality and understanding nature have left a long, wide path of friendships. . . Congratulations to Frank the Jeweler (So. Main st.) who is celebrating his 20th business anniversary. And a nod of approval to the men of the Internal Revenue office on Church st. They were always cooperative and courteous even during the last minute rush hours. It's a pleasure to have public servants such as this group of tax experts and we are happy to note that one of the big-name publications will soon due a national spread on this government agency. . . Plenty of rumors around concerning that valuable piece of property on So. Grove opposite Jack Harris'. . . NOP Chief Inspector BILL ALLEN, (Prince ave.) one of the best radio "hams" around. (WIAOE Contacted Italy, Germany, etc. and a Civil Air Patrol major.)

AROUND TOWN . . . Philip Morris publicity department planning to have their "Johnny Call Boy" in Freeport this spring. . . JUDGE HILBERT JOHNSON tempers justice with mercy in his Freeport Police Courtroom. (It's worth a visit—I mean only as a visitor). . . FHS gained new hero. THE RED DEVIL Rifle Team won the championship (Section Eight). . . William Clinton Story Post, A. L. Commander KEN VOUGHT planning gala reception for the NC A. L. Convention to be held in Freeport June 23 and 24. . . As usual JOHN FROGGE, WGBB's (News of Nassau), rates an Oscar for his mike handling of the Meadow Brook National Bank and W. Hempstead merger opening. (Best wishes to AUGUSTUS B. WELLER, president of the office institution.)

DURYEA ORCHID CREATION: . . . Joy was brought into the heart of a very ill 57-year-old patient who was seriously injured in the RVC REI tragedy. This frail little woman is all alone in the world except for a 17-year-old white-whiskered pet dog. Her only physical pain did not hurt her as much as her worry about the animal. Day after day, despite Red Cross assurance that the dog was being cared for excellently, this kindly little lady worried. It was starting to jeopardize her health; both her legs had been fractured and she has a serious neck injury. Regulations were brushed aside and the Red Cross was permitted to bring the pet to visit the patient.

And so, the DURYEA ORCHID OF THE WEEK is presented to MARY PEARSON, superintendent of South Nassau Communities Hospital, as a token of appreciation to her and to her wonderful institution, for bringing such fearful joy to both patient ROSE KRAUSZ, and her plining pet dog. It is a great pleasure to publicly commend such humanitarian deeds.

TID-BITS . . . The CHARLIE (Bakery) MATTERS named their second son "Peter". . . The JESSE (Poet of the Organ) CRAWFORD classes at the Jack Kahn Studios almost at peak enrollment. (No wonder: his magic fingers paint melody masterpieces). . . With the Ringling Bros. Circus due at Madison Square Garden April 5th; can summer be far behind? . . . Freeport's LEE BALDWIN tented in his last fight. (He's the new ring rage). . . Many locals will journey to the Grand Central Palace for the International Flower Show, Mar. 20-25. Charming DORIS ANGELO and ERNEST L. DOLPHY JR. can now claim each other as tax exemptions. (It happened Sunday and honey-touring in Canada). . . MRS. GEORGIA DATER starting her second term as VFW Auxiliary president. (Congratulations). . . SCOTTIE MITCHELL'S being enjoyed by the Knights of Columbus council officers and committee chairman.

FLAG AT HALF-MAST . . . Freeport lost one of its stalwarts when THEODORE BEDELL Sr. (father of Nassau County Comptroller, Berry Bedell), of 113 Church st. passed away. It is his type of American that made this county and this country, as great as they are. "Now, the places that knew him, will know him no more. . . Our deepest condolences.

V.F.W. Post Auxiliary Re-Elects Mrs. Dater

Members of the Ladies' Auxiliary of Henry Theodore Mohr Post, V.F.W., honored their president, Mrs. Georgia Dater, by re-electing her at the annual meeting this month. Mrs. Ethel Halvorsen, senior vice-president, also was re-elected to office.

The rest of the 1950-51 staff will be as follows: Mrs. Blondina Kerr, junior vice-president; Mrs. Julianne Semken, secretary; Mrs. Mabel Moore, treasurer; Mrs. Catherine Donnelly, chaplain; Mrs. Lucy

Johannmann, conductress; Mrs. Madeline Donnelly, guard; Mrs. Olga Neundorfer, trustee; Mrs. Josephine Davis, Mrs. Edith Steizenstein, Mrs. Neundorfer and Mrs. Violet Davis, color bearers; Mrs. Nellie Chalker, flag bearer; Mrs. Mary Carlinio, banner bearer; Mrs. Irene Russell, musician; Mrs. Semken, assistant musician; Mrs. Johannmann and Mrs. Jones, county delegates. Plans for the installation will be announced later.

Huge Array of Celebrities to Appear On P.T.A. Night of Stars Program

It would be hard to beat the array of stars of the stage, radio, television and music world that has been lined up for "A Night of Stars" to be staged by the Central Council of Parent-Teacher Associations in the auditorium of the Freeport High School on Monday night, May 1, for the benefit of the scholarship fund that is to be established.

Joak MacGregor, of WOR, is to be one of the masters of ceremonies. Then there will be Joan Caulfield, Broadway and Hollywood celebrity, and Jack Leonard, singer formerly with Tommy Dorsey's band, and also a motion picture and television star.

Paul Muro and his orchestra, now playing at the Wheatley Hills Tavern, will appear. Also on the list are Marion Gould, monologist; Eleanor Ohms, soprano, formerly with Fred Waring; Glenn Brown and trio now playing at the San Sa restaurant; Mildred Johnson, cellist, formerly with Phil Spitalmy; Dr. Milton Glasser, pianist, and Jean Spitzer Glasser, violinist; Barbara White, graduate of the Neighborhood Play House School of the Theatre, television actress; Lorraine Form, scholarship winner at Horstra, where she is studying opera, and has soprano lead in "Messiah"; Chubby Jackson and Dorothy Jackson, and Donald Comrie, concert pianist. Al B. White also will be on the program.

Members of the P.T.A. have discovered a number of instances where it has been impossible for deserving students to continue their education after high school, and decided something should be done about it. Quite often a small loan means the difference between continuing and cutting short an education.

Opportunities for higher learning should be made available to worthy students who need financial help and will profit by it and the P.T.A. is endeavoring to meet the situation. A patron and patroness list will be solicited to swell the fund. It will be published in book form.

H. E. Pearson Heads Concert Association

Community Group Drive To Open on April 24; Limit Placed at 1,000

Harold E. Pearson was elected president of the Freeport Community Concert Association at the organization meeting Sunday afternoon in the office of the Freeport Federal Savings & Loan Association. He succeeds J. Maynard Wettlaufer, who has headed the group since it was organized in January of last year.

Plans were made for the 1950-51 membership campaign which will be opened with a dinner for the workers on April 24, the night before the final concert of the present season at which the duo-pianists, Whittemore and Lowe will be presented.

Gerald Devlin, of the Community Concert Service staff, will again be the representative in the Freeport membership drive. Officials of the association feel that by conducting the annual drive immediately following the close of the season there will be greater prospects of success than if the campaign is delayed until fall as was done last year. Membership will be limited to 1,000, the capacity of the Freeport High School auditorium.

Starting on April 24, the campaign will be continued through the week. From the total receipts a budget of artists to be presented next season will be worked out and dates selected. Since the actual amount of money available is already known, this is called a "no-profit, no-loss" plan. By getting an early start, association officials also realize they will have a better opportunity to obtain desirable artists than if they wait until later.

Elected with President Pearson were: Dr. Jules M. Nova, vice-president; Mrs. William H. Mermann, general chairman; Mrs. Elizabeth Smith, treasurer; Natalie Shelly, corresponding secretary; Anne Katenhorn, financial secretary; Joyce Kuschler, recording secretary; June Moyer, flag bearer; Eleanor Smith, secretary; George T. Yarrow, treasurer; Mrs. Seward J. Baker, assistant chairman; Mrs. Clement Winter, dinner chairman; Miss Helen E. Ross, publicity chairman; Mr. Wettlaufer, Mr. Martin and George W. Goeller, board of directors.

Varied Groups Fight A & P Dissolution

L.I. Farmers Adopt
Resolution Lauding
Subsidiary Concern

New York farm, business and government groups believe that dissolution of the Great Atlantic & Pacific Tea Co. as proposed by the anti-trust lawyers would seriously affect the Empire State's economy.

The current anti-trust suit against the 90-year-old food chain which pioneered in mass distribution is opposed by New York groups in resolutions and other official stands similar to those adopted by organizations speaking for millions of other Americans.

Among New York resolutions and other actions were those of the Long Island Farmers' Institute, Inc., Ontario Growers Exchange, Inc., Co-operative Grange Federation, Inc., New York State Horticultural Society, Village of Brockport mayor and trustees, Oakfield and Elba Growers, Inc., Empire State Potato Club, Long Island Cauliflower Association, Genesee-Orleans Vegetable Growers Co-operative Association, Inc., and Westchester County Federation of Women's Clubs, Inc.

A supplier of the teeming New York market, the Long Island Farmers' Institute, Inc., wrote the "largely dependent on the Atlantic Commission Company (A & P's produce-buying affiliate) which is the largest individual buyer of our potatoes, cauliflower, lima beans, brussels sprouts and other vegetables. "We believe," the Institute said, "that anything that might happen to eliminate the Atlantic Commission Company's great buying and wide distribution of our farm products would be disastrous to the welfare of the Long Island farmers and the consumer public also."

Similar resolutions have been adopted by organizations voicing the belief of all segments of the economy. Other groups, including chain store and independent competitors of A & P, have written letters of protest to President Truman, Attorney General J. Howard McGrath and members of Congress. Still others have purchased advertising space to express their opposition to the suit.

Opposing the anti-trust lawyers' attack on the company which pioneered modern mass distribution are groups ranging in size from small bands of farmers and suppliers in isolated areas to big organizations representing such nation-wide enterprises as the trucking and poultry industries.

Official support of A & P has come from such diverse groups as business, economic and trade councils, labor unions, farm bureaus, chambers of commerce, poultry raisers, fishermen, dairymen, canners, produce growers, local government bodies, cooperatives, fruit growers, state press associations, packers, charitable societies, horticulturalists, suppliers, processors, social and fraternal clubs, egg producers, distributors, truckers and consumers.

Christian Science

"Reality" is the lesson-sermon subject for Sunday at 11 A.M., in the First Church of Christ, Scientist, West Merrick rd., at Elm pl. The golden text is "Since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him" (Isaiah 64:4).

The sermon will be from Psalms 62:11, 9:9-11 King James version: "God hath spoken once, twice have I heard this; that power becometh unto God. . . Because thou hast made the world, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God creates all forms of reality. His thoughts are spiritual realities. Eternal things (verities) are God's thoughts as they exist in the spiritual realm of the real. . . The Old Testament assigns to the angels, God's divine messengers, different offices. Michael's characteristic is spiritual strength. He leads the hosts of heaven against the power of sin, Satan, and fights the holy wars. Gabriel has the more quiet task of imparting a sense of the ever-presence of ministering Love. These angels deliver us from the depths. Truth and Love come nearer in the hour-of-woe, when strong faith or spiritual strength wrestles and prevails through the understanding of God" (pp. 513, 337, 556).

"I DO HOPE IT WON'T RAIN TOMORROW!"

YOU NEEDN'T SAY THAT AGAIN

with a

Hamilton AUTOMATIC CLOTHES DRYER

• You HAVE said it, haven't you? The night before washday? Yes, and meant it, too, because there's nothing worse than to have to let dirty clothes pile up while you wait for nice weather.

When you have a Hamilton Automatic Clothes Dryer, you just flip the switch, toss in your clothes straight from wringer or spinner and, in 15 to 25 minutes, they're ready to iron! Things dry soft, sweet-smelling, and fluffy in the Hamilton, too, an average washerload at a time. Rain? Snow? Soot? Smoke? Forget 'em!

Why don't you come in, right away, and let us show you how Hamilton can take the last bit of labor and risk out of your weekly washing? We'll be happy to demonstrate.

Solomon Hochman's Celebrate 50th Wedding Anniversary

Mr. and Mrs. Solomon Hochman, 215 North Ocean ave., celebrated their 50th wedding anniversary at a reception attended by forty couples, relatives and friends, Sunday night in the Regatta Mansion, 604 Willoughby ave., Brooklyn.

As a feature of the affair, Mr. Hochman, and the former Miss Jennie Berkholz, his bride of March 19, 1900, went through the wedding ceremony again with Rabbi Benjamin Auerbach, of Brooklyn, officiating.

The couple were married in Austria, and coming to America a year later settled in Brooklyn where they lived until about ten years ago when they came to Freeport.

At that time Mr. Hochman, who had been engaged in the manufacture of women's dresses, retired from business. The couple belong to Temple B'nai Israel. He is president of the Purness Family Association, a position he has held for several years.

Supper was served at the celebration followed by a general good time with dancing. The Hochmans have five children, three sons and two daughters, and ten grandchildren.

The daughters are Mrs. Doty Berkowitz, of Freeport, and Mrs. Shirley Kozin, of Brooklyn, and the sons, Henry Hochman, of Brooklyn, and Jack and Albert Hochman, of Brooklyn. They were all present with their wives or husbands.

L.I.R.R. Coal Adequate To Restore Full Service

Now that stocks of high-quality coal are gradually increasing regular service will be restored on the steam-operated branches of the Long Island Railroad effective at 12:01 A. M. Monday, it was announced this week by Superintendent Horace B. Stetson.

"We appreciate the patience and cooperation of our patrons in bearing with us through a difficult period of service curtailment which was the direct result of the coal shortage," Mr. Stetson said. "Fortunately we had five small Diesel engines suitable for passenger service and were able to secure an additional Diesel engine on loan."

By using these six Diesel locomotives, we were able to maintain a considerable amount of regular service which we otherwise would have been forced to withdraw.

Unlike the situation on other railroads, he explained, in the case of the Long Island it was not merely a matter of restoring trains as soon as the Interstate Commerce Commission's curtailment orders were lifted. The Long Island's coal stocks had fallen to a dangerously low point and consisted only of a small amount of low-grade strip coal, use of which produced insufficient steam in locomotive boilers and caused frequent delays. After the mines were reopened, it took a week to obtain delivery of the first fresh coal.

Sisterhood to Present Sketch at Open Meeting
Presentation of a sketch, "Twins a Frame-up, We Protest" will feature an open meeting of the Sisterhood of Temple B'nai Israel to be held in the Vestry next Tuesday night. Mrs. Victor Hirsch will direct the performance and Mrs. Martin Brand will preside at the piano.

In the cast will be Mrs. Edwin J. Freedman, Mrs. Henry Kessler, Mrs. Lester Baumann, Mrs. Samuel Eisenman, Mrs. Elhu-Berman, Mrs. Arnold Kulick, Mrs. Nathan Diamond, Mrs. Arnold Perlestein, Mrs. Nathan Hausfather, and Mrs. Edward Lazarus. Mrs. Julius Elgenenthal, the president, will preside.

Three Realty Transactions Are Reported in Freeport

Mr. and Mrs. Edwin J. Freedman, 124 North Long Beach ave., have purchased property at 335 West Lena ave. from Mr. and Mrs. Anthony V. Galente. Revenue stamps on the deed filed at Mineola totaled \$20.35.

Property at 369 South Ocean ave. has been sold by Mr. and Mrs. Charles Salvato to Mr. and Mrs. Blase Stuparich, 367 Woodcliff ave. Revenue stamps amounted to \$18.70. Mr. and Mrs. Wilbur M. Rabinowitz, 360 Clinton ave., Brooklyn, have purchased property in the Freeport Estates section from the Kee-Lee Homes Inc. Revenue stamps totaled \$28.05.

Artists Guild Ready For its Costume Dance

A group of ten pupils from the Children's Theatre Project will present eleven acts of vaudeville at the costume dance to be held by the Freeport Artists' Guild tomorrow night in the Woodcliff Restaurant, Woodcliff ave.

Village merchants have donated many valuable prizes which will be awarded to the winners in the various contests to be conducted in connection with the event. The proceeds will go towards providing permanent studio headquarters for the Guild.

Bogart to Star in Coming Drama At Century Circuit's Grove Theatre

The Warner Brothers new thrill packed drama starting Wednesday, March 29th at Century's Grove Theatre is "Chain Lightning" starring Humphrey Bogart, Eleanor Parker and Raymond Massey. The smash hit is scheduled for a seven-day run with the co-feature being "The Pirates of Capri." The Grove Theatre urges the public to join theatres throughout the country in their concerted efforts to have the nuisance eliminated. Enough pressure brought to bear by theatre goers would result in the repeal of a wartime tax measure that adds 20 percent to the cost of theatre tickets. Blanks are available in the lobby of the Grove and other theatres for your convenience.

BROADWAY AND MAIN STREET Another Kind of Courage Has It All Over Standard Heroics

By BILLY ROSE

Recently, a doctor in Maine sent me a story about a courageous kid and, unless I'm getting soft in the heart, it's the most touching tale of heroism I've come across in a long time. Some time ago, the medico got a hurry-up telephone call to come out to a small summer camp 20 miles west of Bangor. There, half an hour later, he examined a six-year-old girl and found that one of her legs was broken and that she had lost a lot of blood from a gash in her thigh.

The story, as he got it from the mother, was that the girl and her brother, aged 7, had gotten into the lot of an abandoned barn and, when a rotten plank gave way, she had fallen, broken her leg and a ripped her thigh on a piece of rusty farm machinery.

As the doctor was cauterizing the cut and setting the leg, the boy—his name was Pete—kept watching from the doorway with worried interest.

"Is Molly going to be all right?" he asked when the splints were in place.

"She's lost a lot of blood," said the doctor, "but if she gets past the crisis tonight, everything will be okay."

"What's a crisis?"

"It's—well, I guess it's the time when a person is sicker."

"When people lose a lot of blood, do they die?"

"Sometimes. You see, the heart needs a certain amount to keep going. In a way, it's like the motor of a car—it stops running if it doesn't get gasoline."

"I see," said Pete.

LATER THAT NIGHT, the little girl's pulse began to slow up.

"I'm afraid your daughter needs an immediate transfusion," the doctor told the father, "but there's a complication. She has an unusual type of blood, and I doubt whether the blood bank in Bangor has it in stock."

"Her brother has the same type," said the father.

"I'll try," said the doctor.

"I'll try," said the doctor.

"I'll try," said the doctor.

"I'll try," said the doctor.

"I'll try," said the doctor.

"I'll try," said the doctor.

"I'll try," said the doctor.

Mrs. Albert Marmon Grove St. P.-T.A. Head

Elected at Fathers' Night Meeting; Plan Cub and Scout Units

Mrs. Albert Marmon was elected president of the Grove St. School Parent-Teacher Association to succeed Mrs. Carl E. Thompson at the annual meeting Thursday night in the school auditorium. It was also Fathers' Night, with Mr. Thompson as chairman.

Electing with Mrs. Marmon were Mrs. Clarence B. McIntyre and Mrs. Lester Hall, vice-presidents; Mrs. George J. Smith, treasurer; Mrs. Joseph C. Phillips, recording secretary; Mrs. Andrew A. Wilson, corresponding secretary; Mrs. Carl A. Sutermeister and Mrs. Howard P. Munro, delegates to Central Council, with Mrs. Marmon and Mrs. Frank Varnum as alternates.

Mrs. Phillips, ways and means chairman, reported \$100.38 raised at the donkey basketball game on March 11 in which the Grove St. Dads played the High School faculty.

Announcement was made that in response to a request from the Association to the Village Board stop signs had been placed at the exits of the three parking fields along Grove st. and "no-left-turn" markers installed in that street.

Joseph Fleming, director of the Southeastern District of the Nassau County Boy Scout Council, told of the advantages of scouting. Following the talk it was voted to provide leadership for a Cub pack and a Boy Scout troop, a meeting place to be provided later. A steering committee of five men was appointed to start the organization.

Frankfurt's sauerkraut, rolls, apple pie and coffee were served to the fathers and their wives by the executive committee.

Socialized Medicine Is Discussed By Athena Club Members At Forum

A panel discussion on the subject, "Shall Efforts to Improve the Health of the Nation Be Carried Out by Voluntary or Compulsory Means?" featured a meeting of the Athena Club Monday afternoon in the Seaman education room of the Seaman school under the sponsorship of the Civics Committee. Mrs. Garrett A. Goetschius, Jr., the chairman, presided.

When no one volunteered to speak in favor of Federal socialized medicine, Mrs. William C. Plich gave a report of Oscar Ewing's report to President Harry Truman, in which he contended 20 percent of the population of the United States is unable to afford proper medical care and that persons earning \$3,000 a year or less do not have the money to pay for proper care.

Mrs. Adolph Ringer, Jr., gave a report on the measures that have been taken to afford proper medical care and that persons earning \$3,000 a year or less do not have the money to pay for proper care.

The Wagner-Murray-Dingell bill which has been introduced recently by U. S. Senator Lewis M. Ives of New York State, which places primary responsibility for providing adequate health service in the States and local communities.

Dr. Walter Cane of Hempstead, spoke in opposition to Federal Socialized Medicine, from the viewpoint of the Nassau County Medical Association and that of a physician.

He answered the question "Why is the Medical Profession opposed to Socialized Medicine?"

Dr. Cane told of his experiences in Germany where in 1922 after 40 years of socialized medicine the individual tax was 20 percent of a person's income. He conceded that some complaints of physicians making exorbitant charges for their services were justified. He added, however, that the American Medical Association is trying to educate the public in these matters. The A.M.A. has been successful in getting Federal charges by physicians and surgeons and insists they must scale their prices down to meet the patient's ability to pay. He said he had done this during the past year of practice. He advised that complaints be made to the local medical association in cases where it is felt patients have been over-charged.
